

GROUND RULES FOR HOME AND AREAVISITS PHASE IV

Visit Purpose: To begin reintegration into the family and family life at home by spending time with my child and other family members so that we may all practice using knowledge & skills learned thus far at SRA.

1. While at home, SRA rules are in effect. This includes but is not limited to:
 - No sexual activity
 - No drug or alcohol use
 - No inappropriate music or dress
 - Movies as determined by parents
 - Internet use with the approval of therapist and supervision of parents
2. I will spend significant time with my family and some time with extended family. My extended family will include grandparents, aunts, uncles and young cousins that my parents and therapist approve of me visiting.
3. I may contact and see friends that have been agreed on by therapist, student and parents prior to each visit. Therapists will delineate all behavior in regard to romantic relationships prior to visit with students and their parents.
4. I understand that visits home are not be to considered "just vacations". My parents, therapist and I will develop plans for the home visits that will allow for an appropriate division of time between spending time with family, friends and getting necessary things done such as doctor and dental appointments as well as visiting schools that I might attend after Spring Ridge Academy.
5. I will not bring back inappropriate items to Spring Ridge Academy including food of any kind. It is my responsibility to inform myself and my parents regarding what is appropriate and inappropriate.
6. Upon returning to Spring Ridge Academy I will immediately deposit any money that I have in my possession. I will use the envelope and deposit slip provided.
7. I will not accept letters from Spring Ridge Academy students during my home or area visit.
8. I will not make telephone calls for any Spring Ridge Academy students during my home or area visit.
9. Makeup according to parents' standards.
10. MTV by parental discretion.
11. If situations arise that are not covered by these rules parents judgment is final. If parents would like a "second opinion" they may feel free to call SRA.
