Dear Parents of Traveling Students:

In order to promote safety while traveling Spring Ridge Academy uses Willis Sedan Airport Transportation for students traveling to and from Sky Harbor Airport. Willis Sedan offers SRA students a special fare for travel during SRA breaks. Students using Willis Sedan transportation during a break will pay \$55 each way beginning May 1, 2011; provided our travel parameters are followed.

We work with Willis Sedan to ensure:

- Reduced airport travel time
- Reduced idle time at the airport
- Willis picks the girls up at SRA and inside the airport
- Willis will not transport outsiders in the same car with our students
- Willis will not make any stops while our students are in the car

Travel parameters:

1. Flight departure times from Phoenix during a break but no sooner than the 1st day of break
 - 8 am to 9 am
 - 1 pm to 2 pm
 - 6 pm to 7 pm
2. Flight arrival times returning to Phoenix by the last day of break
 - Any arrival time that lands in Phoenix before 5:30 pm (to provide arrival on campus by 7 pm)
 - Any arrivals or departures other than during a break or earlier or later than listed above are subject to charges of \$110 one-way. (Please contact Fran Heston at (602) 292-1589 to be sure he has staff available to make the trip.)
